

High-Speed Internet Support Programme – Call III: Creation and development of digital technical maps of public entities (DTM)

The aim of the call is to facilitate and reduce the costs of deploying high-speed electronic communication networks by sharing existing physical infrastructure and better coordinating construction work when building new NGA infrastructure.

SCHEDULE

Receipt of aid applications:

- 17/10/2020 – 16/04/2021

SUPPORTED ACTIVITIES

- Acquisition and development of digital technical maps of public entities (DTM PE).
- Acquisition and development of an information system (IS DTM PE).

APPLICANT

- The applicant/beneficiary may be a state organisation, state enterprise, organisational units of the state and contributory organisations of organisational units of the state which own or manage line constructions of the state and which must keep separate accounts for the project.

KEY CONDITIONS OF THE CALL

- The project must include all mandatory elements listed in the Call for its submission.
- The project has not started before the date of filing the application.
- Projects with total eligible expenditure at and over CZK 5 million and at the same time with investment expenditure that forms more than 50% of the total eligible expenditure will be required to carry out a Financial Analysis of the investment. Projects with total eligible expenditure at and over CZK 100 million and at the same time with investment expenditure that forms more than 50% of the total eligible expenditure will be required to carry out an economic analysis taking into account socio-economic impacts of the project based on a set code-book. More detailed information on the cost-benefit analysis is provided in the CBA – Applicant's Manual.
- The project must not violate EU horizontal policies and their basic principles, in particular equal opportunities for men and women, equal opportunities and non-discrimination and sustainable development.

- The objectives of the project must comply with the objectives of the programme and of the Call.

ELIGIBLE EXPENDITURE

- Eligible costs include in particular:
 - Tangible fixed assets;
 - Intangible fixed assets;
 - Services provided by consultants and experts, studies;
 - cost of organising tenders;
 - mandatory publicity.
- The acquired data will be acquired into the assets of public entities (intangible fixed assets), a public entity will be their owner.
- The investments must be maintained in the receiving area after the completion of the investment for at least five years.
- The acquired asset must be new.
- An intangible asset is eligible for the calculation of the investment costs if it meets the following conditions:
 - it must be used exclusively for the purposes of the project;
 - it must be depreciated assets;
 - it must be acquired under market terms from third parties unrelated to the buyer;
 - it must be included in the assets of the applicant that is the aid beneficiary;
 - it must be used for the project for which the aid is granted for at least five years.

FORM AND AMOUNT OF AID

- The grant is provided at 85 % of the demonstrable eligible project costs.
- The grant per project and per applicant under the Call shall be provided at the minimum amount of CZK 5 million and up to the maximum amount of CZK 500 million.
